

## **Q-PAR Antennas USA - Coronavirus (Covid-19) – Policy Statement**

Please be assured QPARUSA is actively monitoring the coronavirus (Covid-19) situation as it continues to evolve. QPARUSA is proactively taking steps to protect and safeguard employees, customers, and the local community. The company adheres to United States government regulation and guidance from public health agencies. QPARUSA has been working for some time to prepare for all potential outcomes for our business specifically how to support our worldwide sales network and customers through this sustained period of uncertainty.

We want to share the actions we are taking in response to this unique and evolving situation.

QPARUSA is focused on the following...

### **Employee, Customer, and Local Community safety:**

In response to or in anticipation of local government actions as well as across the globe, QPARUSA has implemented the following steps:

- Social distancing
- Working from home where feasible
- Use of online conferencing technology and collaboration tools as an alternative to face to face meetings
- Facility access only for critical staff who are required to maintain operations
- Enhanced cleaning of the whole facility
- A vigilant approach to personal hygiene
- Cancellation of all domestic and international travel for the foreseeable

### **Ongoing Customer Support:**

QPARUSA remains committed to supporting customers during this time. Should QPARUSA's ability to ship and support product and solutions be impacted for any reason those customers will be notified. The whole team is working collaboratively to ensure operational resiliency and the provision of business-critical services, with preparations in progress to enact additional measures as the situation evolves.

We remain wholly committed to providing the highest levels of customer and partner service and continue to strive to maintain our position as a leading OEM design- and manufacturing source.

*To reiterate, QPARUSA's priority remains the health and safety of its employees, customers and community during this challenging dynamic situation.*
